

ACCEPTABLE USE POLICY
Williams Ross Consultants Limited Website
(www.williamsross.co.uk)

Website Type:

The WRCltd website is a business/commercial & professional website.

Intended Audience:

Although focused on business customers and other professionals the website is for general public use, subject to conditions – please see our Legal Information & Terms published on the website and clearly signposted on every page:

<http://www.williamsross.co.uk/legal.php>

Be advised.

Failure to Comply with Terms:

WRCltd retains the right to take civil legal action against any serious breach of our Acceptable Use Policy. Where necessary, reports will be made to the relevant law enforcement bodies in respect to those persons or bodies who breach any criminal law, including Harassment (inclusive of stalking by electronic means), by any individual or entity. Be advised.

Excessive or unusual activity by certain IP addresses (individual computer/network/company networks) will result in blockage of their access to the WRCltd website and if necessary combined with either civil or criminal report. Be advised.

Note: all IP Address activity is monitored together with their activity on the WRCltd website – this includes efforts made to access by IP addresses that have been denied/blocked access.

General:

Refer to our Legal Information & Terms published on our website.
