

COMPANY PROFILE

Williams Ross Consultants Limited (WRC Ltd) is an established company of social care consultants specialising in child and family work.

Initially operating as Williams Ross Consultants the company incorporated in February 2003 having already established a customer portfolio from February 2000 via the work of the Principal Consultant. Subsequently the company expanded to include a second Director/Senior Consultant.

All aspects of social care work is and has been undertaken by either or both of its Directors, ranging from interim management within local government children's services or private agencies, through to highly specialised expert witness evidence, teaching/tutoring and audit work, together with management of complex forums such as 'looked after' children's reviews, foster home reviews, multi-agency child protection conferences, adoption and fostering panels. Both Directors have been appointed as Children's Guardian's (GaL's).

The company has operated throughout England & Wales and within Europe. Customers span the central/local government, voluntary and independent social care agency sectors.

Anthony Williams

Anthony (Tony) is the Managing Director and Principal Consultant. He has an extensive portfolio of professional experience spanning over 30 years in total and in a qualified capacity since 1980, having obtained a post-graduate diploma and Certificate of Qualification in Social Work (Bristol University/CCETSW). He was a social worker (qualified) from 1980 – 85 and subsequently a local government management career (1985 – 2001) up to senior third-tier service manager (1990 – 2000) and Quality Assurance Officer (2000 - 01). He had a major staffing and budget portfolio particularly as a service manager.

A copy of his CV is available upon request.

Heather Lorraine Ross

Heather (Lorraine) is a Company Director/Secretary & Senior Consultant. She is a qualified social worker registered with the GSCC and has an extensive career both as a social worker and first-tier manager of a specialist child protection/children & families team, and as a local authority reviewing officer and chair of child protection conferences. She is a (OU) university tutor on the social work degree course, a CAFCASS (independent) Children's Guardian, expert witness to the Courts and consultant to various agencies.

Lorraine has a university degree, is a qualified social worker and has a Masters degree in Management.

A full copy of her CV is available upon request.

Both Anthony & Lorraine are members of NAGALRO.

Williams Ross Consultants can offer a wide range of services to the social care sector. Enquiries may be made either by telephone, fax or email – details are set out on the WRC Ltd website:
